Allergen information for all our dishes is available from the bar. If you need to know, just ask a member of our team! We cannot guarantee nut-free as our kitchen is used to prep nuts.

#### Ethical Policy

Our ethics are important to us, so we work under an Ethical Policy. This means we're committed to sustainability in our operations, supply chain, employment practices and banking. We only stock free range eggs and organic milk. Our takeaway boxes are recyclable and we'll recycle any glass, food, cardboard or oil waste.

#### By us, for us

All our venues are student owned, which means anything we earn goes back into facilities and services for us.

#### London Living Wage

We've been paying the London Living Wage to staff at all our venues since 2014 - something we campaigned for, and won!

#### Drink Awareness

Our venues promote responsible drinking. Go to [drinkaware.co.uk](http://drinkaware.co.uk) for the facts about alcohol.

#### Our Students' Union

Here at KCLSU, we pride ourselves on our spaces. We've got three fantastic venues for you to chill out in, have a drink, eat some great food and hang out with your friends. What's more, as they're all Students' Union venues, any profit we make from the money you spend with us goes back into providing services for you.
