

Eligibility terms explained

Some positions might require you to self-define in order to be eligible to stand or vote for it. You can do this by updating your elections profile. (For the international student positions, there is no need to self-define).

How to update your voting profile:

This also applies to how you can update your profile so you are eligible to stand for different positions

1. Click "Log in" in the menu bar on the KCLSU website.
2. Click on "My Account".
3. Click on "Edit voting profile".
4. Tick those that are applicable to you.
5. Click "Update Self Defined Status". It can take up to 24 hours for this to update so if it's not immediate then do keep checking back.

If you have already voted before you self-defined, once you have updated your status you can then vote for any new positions you're eligible for.

Below is an explanation for all the terms used.
