

NUS Motion Submission

Proposed by Patrick McCaughey

A motion is a proposed policy. It states what we believe about an issue, and the action we will take. Any students' union that is affiliated to NUS can submit a motion or amendment to National Conference.

The motion is discussed and debated by King's students at AGM, and if it passes, it is sent to NUS National Conference. There, it will be discussed and voted on again, and if it passes, will become NUS policy, so will set out NUS' political stance and work for the year ahead.

Motion to End Exclusively Heterosexual Events at our Students' Unions

Conference believes:

1. Student Union's across the U.K. run events for their student body
2. Some of their events are based on heterosexual dating game shows e.g. 'Take Me Out'

Conference further believes:

1. Student Union's should operate on the basis of inclusion and diversity
2. No one should be excluded from taking part in an event based on sexuality
3. Heterosexuality should not be portrayed as the standard sexuality

Conference resolves:

1. Events in which only heterosexual people can participate should not take place at our Students' Unions
