Internationalisation Fund Application Tips

**Internationalisation Funding** is available to all KCLSU Activity Groups and Societies to increase the multicultural dimensions of the student experience and open access to more diverse group of students for your events. This fund can be specifically used for events where two or more societies collaborate for an event. These events can be planned already or be in the process of planning for future.

Here’s an idea of what you can ask for in this funding application:
- Printing and publicity costs
- Speaker/ performer costs
- Food
- Facility hire, if it’s clear in the application why a King’s Venue cannot be used
- General running costs
- Theatre productions (with the exception of the below)
- Anything else that could add value to your event (with the exception of the below)

We will not consider funding any of the following:
- Gifts for speakers
- Props & costumes for events
- External affiliations or competitions
- Stationery
- Prizes
- Group/committee t-shirts
- Travel expenses.
- Lanyards or tote bags for conferences

Your application should seek to promote Internationalisation through collaboration with other societies for existing or new events.

**Internationalisation:** See the world through the eyes of another and use your global problem-solving mind set to make the world a better place.

Please note the following information when applying for funding:
- Grants will be considered for a total sum up to £400.
- No retrospective events will be funded.
- Applications should be completed online and will be considered by the King’s International Office and the KCLSU VP of Activities & Development.
- Groups will be notified of their application’s outcome in up to two weeks after the application is submitted.

Applications for large amounts:
- Groups who apply for large amounts may be asked to have a phone call with us in order to give more information on the initiative and why a large amount is needed.
- Any group(s) applying for an amount over £200 could be asked to attend our funding drop-in session to discuss their initiative.
